Dear Mr. Ali

**Re: Listing of Destiny University School of Medicine and Health Sciences in
the WHO Directory of Medical Schools**

This letter serves to update the information about Destiny University School of Medicine and Health Sciences in the World Health Organization's Directory of Medical Schools in the Avicenna Directories. Destiny University School of Medicine and Health Sciences is a fully licensed and accredited University in St. Lucia. They have been in operation since 2001 and have an excellent track record as an academic institution. Please replace the current information in the Avicenna Directories with the following updates:

.../2
